

Certificate of portable appliance testing (PAT)

Testing carried out by Brian Mole on 6th November 2018 for:

Joe Smith Entertainments
66 Woodside
Bridgemary
Gosport
Hampshire
PO13 0YU

This certificate confirms that on the day of testing, all 170 items of equipment tested and listed on the following pages were electrically sound and passed visual inspection, current flow, earth leakage and electrical safety tests, conforming to current legislation.

A handwritten signature in black ink that reads "B. Mole". The signature is stylized and written in a cursive-like font.

6th November 2018

Disclaimer: This certificate can only confirm the satisfactory standard of these tests on the day of testing, the condition of the equipment tested following this date is solely the responsibility of the equipment owner.
